See below. I can respond via email (with your input) but I'm thinking we should have a call with her and possibly our Public Affairs folks. Let me know your thoughts. This is probably good prep for the possibility of the intense scrutiny regarding Tribal consultation. I will send an invite for the call shortly.

Hi Lisa,

Thanks for giving us the opportunity to review.

The overarching questions are:

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Thanks. The longer document identifies a Region 8 staff person who worked on tribal outreach. If you have questions I suggest starting with them and also including Callie Videtich.

Lisa, you very likely want to reach out to Tricia Lynn (cc'ed here), as I don't work on UIC.

Thanks, R.

The comm strat is still being edited but wanted you to have the latest version. Also attached press release.

The announcement will be on 11/18 according to UIC program folks which is a Friday so I'm not thrilled about it. I'm going to see if we can move it to Thursday or Monday.
